Stepan did a layout with PSD mockups  
using jQuery. For the needs project  
standard plugin not found, Stepan did a  
great job task and wrote a plugin. Liked the  
work, the minimum error when testing  
suggests that Stepan with a big  
responsibility for their work and the quality  
of its performance. It very good.

 <b>Nikita Panfilov</b> [indamiks]	28.03.2011 at 17:14

fast  
efficiently.

 <b>Serge Nazareno</b> [nazareno]	22.09.2010 at 23:42
--	---------------------

Is quality a mile away, your coder as not  
could achieve the desired effect.  
Tap handle, fast enough and all done at the  
highest level. Now on the layout only to  
him. I Recommend To Everyone!

 <b>Andrew Nelidov</b> [mavar]	03.09.2010 at 01:26
---	---------------------

Did for me enough hard work, and that is  
especially important in term as promised. In  
the process, all comments and  
recommendations were addressed and  
corrected quickly enough.  
And the best part was for me and probably  
the determining factor – the price below  
market.

I Recommend Stapan add to favorites.
