Paul Kovalev [pavelkovalev787] 13.04.2016 в 15:20
for the order HTML coding interface in the amount of 50 000 rubles

Good and responsible expert :)

task done on time, for which he thanks!

[vassilyamorozov] 30.12.2015 в 10:56
for the order adaptive Layout page a $ 4 520 rubles

Stepan did everything efficiently and well.
Went through the bug list and all fixed. Recommend!

Anton Kuznetsov [bezgvozdej_hh] 14.12.2015 в 15:43
for the order Layout of the landing page to 4,000 rubles

22.02.2013 at 11:39

direct one SBR – immediately on the next turn.
satisfied.
quality is satisfied.
efficiency – happy.

Alex Bell [Dju]   23.10.2012 в 21:37
following the transaction, "to mark up long website page with many elements and JS" stage "to mark up a long page with many elements and JS ", put 23.10.2012 at 21:35

Stepan did everything in time, amendments were made without question and promptly. In common is really a reliable performer with a responsible approach.

PhoenixT PhoenixT [PhoenixT]   19.10.2012 в 12:54
following the transaction, "Simple problem javascript" stage "a Simple javascript task", put 19.10.2012 at 12:53

everything is fine

Nesterov Basil [nvasilij1]   16.07.2011 в 12:10
following the transaction, "layout of the main page of NLR and two secondary" stage "Layout of home page and 2 secondary ", put 16.07.2011 at 12:06

Layout made accurately, quickly and matches the layout.

Oleg Poncelet [media25]   11.12.2011 at 18:42

Neither the quality, nor in terms of layout, no complaints.

Alisher Kadyrov [hellworm]   29.07.2011 at 14:06

Ordered Stepan layout theme for Wordpress. All done qualitatively and in a short time, Stepan found the missing plugins. The cooperation remains only positive emotions. I recommend you to cooperation !

Olga Kosobucka [internetimage]   29.06.2011 at 11:41

Made for us layout. Pleased with the work.

Art-Design-Studio Daon [NataliyaDeli]   26.06.2011 at 20:45

THANK you, Stepan!
Just saved us with the layout! All done very quickly and efficiently! Recommend as an excellent and conscientious of the contractor.
again, thank you very much!

Ideas-is-power Ideas [leidea]   23.06.2011 at 11:16

Stepan made good on a challenging layout for the online store. Quickly made all the edits. All professionally and clearly. Thank you!

Sergey Grishchenko [smartychel]   10.06.2011 at 01:32

Qualitatively performed work on the layout of the block, cross-browser(ie6+), c using pure javascript.

Roman Customer [dr_killpatient]   20.05.2011 at 14:00

A Real Pro!

25.02.2013 в 14:46

The work is done efficiently and within the specified period. Recommend!

Cyril Maleva [playittodeath]   13.12.2015 в 14:23
*for the order **Layout landing Lumberjack** $ 3 000 rubles*

A great job support.

the author of your work your great library on github is a true professional and great company. Highly recommend, next. just going to work with him.

Margaret To [margosha_k]   28.10.2015 в 06:49
*for the order **web Designer HTML / JS programmer for your site** in the amount of 30 000 rubles*

We cooperate already for years, great understanding of tasks and artistic realization. Very happy :)

Dmitry Nikolayev [till1284]   18.09.2015 в 14:27
*for the order **edit and finalize ready html5 template landing** in the amount of 4 500 rubles*

Quickly made some adjustments and seriously modified the template. Worked qualitatively, all the changes have made without delay. Very businesslike and quality performer. Directly uncommon for such a meet.
do Not hesitate – feel free to suggest this by your project!

Gleb Zvyagin [ManagerComfort]   20.06.2014 в 14:18
following the transaction, "to mark up website" stage "layout of the main+internal", put 20.06.2014 at 14:18

A good responsive layout. Listen to the review. Punctual.

[krilatii1]   18.06.2014 в 20:01
for the implementation of the project Layout bootstrap3

Stepan made a quality adaptive layout in a short time. Immediately visible serious approach and professionalism of this coder! I recommend

---

Alex Poles [Alexatsnow]   16.06.2014 в 13:35
for the implementation of the project HTML-coding + scripting: JS, jQuery, PHP install scripts.

A fairly complex project where it was necessary to make the system question and answer on individual tors. Stepan fine, all works. Recommend!

Nicholas Prokhorov [noutstore]   03.06.2014 в 21:18
following the transaction, "Layout new page on the basis of already created" stage "Coding a new page on the existing js ", put 03.06.2014 at 21:18

Done well, work happy. Despite a slight delay the contractor was impressed by the responsible person.

Sergey Artemenko [maro2012]   22.05.2014 в 14:55
following the transaction, "Website under the key ." stage "the key.", completed arbitration 22.05.2014 at 11:09

Stepan did a great job with the layout , to complete the project fully under key failed due to objective reasons , but as a coder will have me in my favorites .

Ivan Miller [weblinestudio]   22.05.2014 в 00:24
for the implementation of the project Layout e-mail template

Very satisfied with the cooperation! All done quickly, efficiently! The price is more than adequate.

Sergey Artemenko [maro2012]   17.03.2014 в 12:51
following the transaction, "Layout under the key,optimized for bitrix." stage "Layout turnkey,optimized for bitrix.", put 17.03.2014 at 12:50

Stepan made the layout at a very high level , the work is done in time efficiently and competently . (rarely happens!) Thank you.

Urmuz Tagizade [UrmuzJob]

Nikita's [Stud911]　　　　　　　　　　15.05.2011 at 13:42

Quickly, qualitatively! the
Operational responds to the changes!
All satisfied, I will cooperate!

Cyril Cormorants [freekirs]　　　　　　　14.05.2011 at 14:08

Very good and kachestvennyi coder, made strictly according to the layout , very and good
quatity. advise him to work and most importantly the prices are not kusayutsya and
encouraging because and work :) +1

Alexander Klarov [Ikarus34]　　　　　　20.04.2011 11:16

Stepan did a layout with PSD mockups using jQuery. For the needs project standard plugin
not found, Stepan did a great job task and wrote a plugin. Liked the work, the minimum error
when testing suggests that Stepan with a big responsibility for their work and the quality of its
performance. It very good.

Nikita Panfilov [indamiks]　　　　　　　28.03.2011 at 17:14

The work was performed very efficiently, in other words at high level. Suggest to work with this
person, because it is responsive and perfectly can understand what you want to convey!
Thank you one more time, satisfied – the roof!

Global Solutions [Tcity]　　　　　　　　09.02.2011 at 13:34

A very responsible person. Works quickly and efficiently...
the advice!

Alex Alex [llx_zakaz]　　　　　　　　　13.10.2010 at 17:55

Job done efficiently, at a very good level. Met the deadlines. Advised on many issues.

I was very pleased collaboration and plans to contact Stepan else.

Max Lukinov [rezaks]　　　　　　　　　29.09.2010 at 01:58

fast
efficiently.

Serge Nazareno [nazareno]　　　　　　22.09.2010 at 23:42

Is quality a mile away, your coder as not could achieve the desired effect.
Tap handle, fast enough and all done at the highest level. Now on the layout only to him. I
Recommend To Everyone!

Andrew Nelidov [mavar]　　　　　　　03.09.2010 at 01:26

Did for me enough hard work, and that is especially important in term as promised. In the
process, all comments and recommendations were addressed and corrected quickly enough.
And the best part was for me and probably the determining factor – the price below market.

I Recommend Stapana add to favorites.

Stanislav Interaktivt [milkTV]　　　　　19.08.2010 at 12:48

positive experience
